- Total number of units required for the degree: 120 units. Students may need to take additional free electives to meet 120 unit minimum.
- ECON 3060 and MGMT 3080 are both double-counted in Upper Division (UD) General Education (GE);
- One UD Civic Learning (cl) course is required in GE. Try to complete as part of UD GE;
- Two diversity courses are required in GE. At least one must be a Race/Ethnicity (re) course;
- One writing intensive course (wi) is required in the major (BUS 3050);
- It is strongly recommended that when taking the upper division core courses, students follow the sequence: CIS 3010, BUS 3050, FIN 3030, ECON 3060, MKT 3100, MGMT3060, MGMT 3070, MGMT 3080, BUS 4150, and BUS 4970.

FIN 3030 should be taken as early as possible, as it is a prerequisite for all other finance courses. Take 2-3 finance courses per semester afterward.

**Choosing the FREE ELECTIVES and your GE courses correctly, you can also complete a minor such as Real Estate. Please see a CBE Adviser.**

## RECOMMENDED ELECTIVES BASED ON CAREER PATH

(Three (3) Finance Electives Required)

### SECURITIES

(Trader/Analyst/Fund  
Manger/Treasury)

**FIN 4370, 4500, plus: FIN  
4470/4400/4310**

### CORPORATE FINANCE

(Corp Finance/I-  
Banking/Consulting)

**FIN 4340, 4370, plus: FIN  
4310/4400/4500**

### FINANCIAL ADVISORY

(Financial Advisory/Private  
Banking)

**FIN 4370 plus: FIN  
4500/4470/3350**

### COMMERCIAL BANKING

**FIN 4370, 4500, plus: FIN  
4310/4340/4390**

### PRIVATE BANKING

**FIN 4390, 4930, plus: FIN 3350  
or FIN 4500**

### MORTGAGE BANKING

**FIN 4370 plus: FIN  
4370/4390/4500/3350**

*For example, if you want to be an Analyst, you should take Fin 4370, 4500, and either 4470, 4400 or 4310 as your electives (if you are interested in Corporate Treasury or International Fund Management, you probably want to take FIN 4310). It is also recommended that Fin 4370 be taken as quickly as possible, for students wishing to be involved in managing the student fund or getting involved in the FMA CFA challenge.*

### Career Notes to Finance Students:

In general, Fin 4370 is the single most important elective to take. It is required for most financial careers, with the exception of commercial lending and mortgage banking. Fin 3350 is only of value to those interested in financial advisory, private lending, or mortgage banking for home owners. Taking it because it is easy wastes a valuable elective if you are not pursuing one of those career paths and many employers discount that course. Choose your courses to match your career goals.
