

# COLLEGE OF ENGINEERING, COMPUTER SCIENCE, & TECHNOLOGY

## FIRE PROTECTION ADMINISTRATION & TECHNOLOGY

### Advance Your Career in Fire Protection Administration

The Bachelor of Science degree in Fire Protection Administration and Technology provides both technical and administrative skills to meet the needs of various fire services.

The curriculum is developed through close consultation with representatives of all levels of the fire services from local groups to State and National committees and boards.

The Fire Protection Administration and Technology faculty, advisors, and staff of the Department of Technology are here to support you and help you achieve your academic, personal, and professional goals.

### FACULTY

Our faculty includes three full-time faculty with expertise in fire service leadership, fire protection engineering, and public safety education. Our adjunct faculty include retired fire chiefs and directors of paramedic programs and wildland fire academies.

### CAREERS AND INDUSTRIES

**Career Options:** Urban Firefighter/EMT, Wildland Firefighter, Fire Prevention Specialist, Hazardous Materials Specialist, Public Safety Educator, Corporate Safety Manager, Dispatcher/Public Relations Communications, Arson Investigator, Fire Safety Engineer.

**Industry Options:** Urban Fire Departments, CalFIRE, Insurance companies, US Forest Service, Fire Prevention companies, EMS companies, Federal Bureau of Investigation, Department of Homeland Security, Hazmat Removal companies.

### WHY CAL STATE LA?

Cal State LA offers the only B.S. degree program in fire protection in California. The program helps in-service fire professionals get promoted to higher positions and gives aspiring fire professionals a leg up on their competition. In the College of Engineering, Computer Science, and Technology, Fire Protection Administration students benefit from:

- Learning directly from Fire Service/EMS experts
- Mentorship for career preparation and interviewing strategies by career fire professionals
- An active fire fraternity engaged in service to the community
