Adapted Physical Education Added Authorization

The Adapted Physical Education Added Authorization is an advanced credential by the State of California. Students seeking an APEAA must first obtain a Single Subject credential in Physical Education, a Multiple Subject credential, or Education Specialist Credential. Potential candidates should contact the APEAA Coordinator in the School of Kinesiology, Nutrition, and Food Science. Refer to the Charter College of Education for regulations governing all teaching credential programs.

**KIN 2500 and 2600 may not be needed if taken at a Community College. KIN 2600 is needed if you did not transfer a college level statistic
