Commission on Teacher Credentialing

The Commission on Teacher Credentialing is the licensing agency who issues all education credentials and clearances in California. Once you are eligible, the Charter College will recommend you for your credential but CTC will issue the document.

Once a permit, clearance, or credential is issued it is public information that anyone can view.

www.ctc.ca.gov

Preliminary Credential

California has a two tier credential system. The program you have been admitted to is the preliminary credential program. Once you have completed the program requirements the preliminary credential is issued for a maximum of five years. A teacher must complete an induction process within five years of completing the preliminary credential. This process allows a teacher to earn a “Clear” credential.

Professional Clear Credential

Option 1: Complete an induction program sponsored by, or in partnership with, the employing district or county office of education.

Option 2: Complete an Induction program that is offered by a college or university.

CTC requirements for the Preliminary Multiple Subject Credential

- Complete a baccalaureate or higher degree from a regionally-accredited college or university
- Satisfy the basic skills requirement (CBEST)
- Completion of subject matter competence (CSET) or subject matter program option for *single subject candidates only*
- Complete a teacher preparation program
- Pass the Reading Instruction Competence Assessment (RICA) for *multiple subject candidates only*
- Complete U.S. Constitution (class/exam)
- CPR

- ✓ Graduate students must complete subject matter competency in order to continue to block I of the program (*Undergrads will have to complete subject matter competency prior to student teaching*)
- ✓ Single Subject Students: If you completed a subject matter program to waive the CSET through your BA/BS, it is your responsibility to ask that department to send the Office for Student Services verification via e-mail
- ✓ Credential courses expire within seven years
- ✓ All credential courses must be completed with a grade of C or better (*including Speech and Political Science*)
- ✓ You must maintain an overall GPA of 3.0 in credential courses to be cleared for student teaching, qualify for an internship and be recommended for a credential
- ✓ Graduate students who do not earn a C or better in a credential course will need to retake the course (*Keep in mind that graduate students cannot replace grades and all grades will be factored in GPA*)
- ✓ Exams (CSET, RICA [*if applicable*]) expire in 10 years (*CBEST does not expire*)
- ✓ Complete Ed TPA requirements
- ✓ Students who begin the program as undergrads will need to reapply to the university if they will need to complete the program as graduate students.

Conditional vs. Formal Admission

- Everyone is admitted to the credential program on a conditional basis
- You must complete the requirements below in order to be granted “formal” admission into the CCOE
 - Subject Matter Requirement (*CSET*) or waiver for single subject
 - Undergraduates have until before student teaching to complete this requirement
 - Enroll and pass all Pre-Requisite Classes
 - EDCI 4000, EDCI 4010, EDSP 4000, EDFN 4400 for multiple subject program
 - EDCI 4000, EDSE 4480, EDFN 4200, EDFN 4130, EDSE 4301, EDSE 4491, EDSP 4000 for single subject program
 - Successful completion of Graduation Writing Assessment Requirements (Only for International Students)
 - Program Plans will be completed in EDCI 4000 (please try and not miss that class meeting if possible)

- EDCI 4000 – Transformative Teaching in Diverse Urban Classrooms
- Requires verification of completion of 45 hours of early field experiences in a K-12 public school classroom
- Program Plans will be completed in this course (please try and not miss that class meeting if possible)

What is the CSET Multiple Subject?

The California Subject Examination Test: Multiple Subject is a test consisting of multiple choice and short response questions. It is designed to measure knowledge and critical thinking skills of future elementary school teachers. The following are the three subtest areas:

- **Subtest #1:** Reading, Language and Literature, History and Social Science
- **Subtest #2:** Science and Mathematics
- **Subtest #3:** Physical Education, Human Development, Visual and Performing Arts

CSET®
California Subject Examinations for Teachers®

What is the CSET Single Subjects?

The CSET Single Subject Exams are used to assess mastery of specific matter by candidates for the single-subject (secondary) teaching credential. The examination is taken by subject area, such as English or mathematics, and individual tests vary from two to four subtests. Each single-subject has its own subtests. Some subjects require 2, 3 or 4 subtests to pass the entire exam.

- Please note that there is the option of completing a foundational math or science credential which requires fewer subtests to pass.
