On January 28, 2015, the CSU Board of Trustees established a new voluntary student fee, the Student Involvement Representation Fee, which goes into effect in the Fall 2015 term. This fee is charged to all students unless they choose to opt out of the fee, which can be done via GET student portal. The fee amount is \$2 per fall and spring term, and is used to support the student leadership, involvement, governance and advocacy programs managed by the [California State Student Association](#).

**Student Involvement and Representation Fee**

Your \$2 contribution ensures that CSU students have a say on tuition, financial aid, student services, course availability, and academic advising.

Your elected student leaders oversee involvement and representation dollars through the California State Student Association (CSSA). CSSA is the official student voice at the university system, state, and federal level. In addition to supporting student representation, your contribution increases opportunities for students to acquire relevant career skills, apply for scholarships, participate in internships, and advocate on issues that are important to you.

Thank you for contributing to a stronger voice on behalf of all CSU students.
